

Did You Know?

Identity theft impacts Medicare and can lead to higher health care costs. Don't let anybody steal your identity. Current fraud schemes to be on the look out for include:

- ❖ People using your **Medicare or health plan member number** for reimbursements of services you never received
- ❖ People **calling you to ask** for your Medicare or health plan numbers
- ❖ People **trying to bribe you** to use a doctor you don't know to get services you may not need

Each of these schemes has been found to be fraudulent.

If any of this sounds familiar, report it immediately by calling **1-877-7SAFERX (1-877-772-3379)**.
