This booklet provides a list of Alignment Health Plan's network pharmacies excluding Alignment Health Plan CalPlus (HMO). To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Alignment Health Plan's formulary.

When this pharmacy directory refers to "we", "us", or "our," it means Alignment Health Plan. When it refers to "plan" or "our plan," it means Alignment Health Plan.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Alignment Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 1, 2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with "**SAVE**" to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Alignment Health Plan.

Pharmacies are listed alphabetically by county and city and by type of pharmacy. The types of pharmacies in this directory appear in this order:

- Mail Order Pharmacies
- Chain Pharmacies
- Retail Pharmacies, Including Chain Pharmacies
- Long-Term Care Pharmacies
- Home Infusion Pharmacies
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Under each listing we also list additional pharmacy features. These features are identified on each page with the following key:

- **SAVE** = Preferred cost-sharing. Drugs from these pharmacies may cost less than other pharmacies in our network.
- **90** = 90-day supply. These are retail pharmacies that offer an extended (90-day) supply of medications.
- **24HR** = Pharmacy is open 24-hours.
- **eRX** = Pharmacy accepts electronic prescriptions from prescribers.

Este folleto le proporciona una lista de las farmacias de la red de Alignment Health Plan excluyendo Alignment Health Plan CalPlus (HMO). Para obtener una descripción completa de su cobertura de medicamentos recetados, incluyendo como surtir sus recetas, por favor revise la Evidencia de Cobertura y el formulario de Alignment Health Plan.

Cuando este directorio de farmacias se refiere a “nosotros”, “nos” o “nuestro” se refiere a Alignment Health Plan. Cuando dice “plan” o “nuestro plan”, significa Alignment Health Plan.

A las farmacias de la lista las denominamos “farmacias de la red” porque tenemos convenio con ellas para surtir los medicamentos recetados a los miembros del Plan. En la mayoría de los casos, Alignment Health Plan solamente cubre las recetas que se surten en una farmacia de la red o por medio de nuestro servicio de pedidos por correo. Usted no tiene que acudir a la misma farmacia para surtir su receta puede ir a cualquiera de las farmacias de la red. Además, bajo ciertas circunstancias descritas en la Evidencia de Cobertura, también surtiremos sus recetas en farmacias fuera de la red.

Probablemente no todas las farmacias de la red figuran en este directorio. Las farmacias pueden haberse agregado o eliminado una vez impreso este directorio. Esto significa que algunas farmacias de la lista pueden ya no pertenecer a nuestra red o que se hayan añadido farmacias nuevas a la red, que no figuren en la lista. Esta lista está en vigencia desde 1 de Septiembre de 2019. Para obtener la lista más actualizada, por favor comuníquese con nosotros. Nuestra información de contacto aparece en la portada y contraportada.

Usted puede acudir a cualquiera de las farmacias en esta lista, pero los costos de algunos de los medicamentos pueden ser menores en las farmacias en dicha lista que ofrecen costo compartido preferido. Hemos marcado estas farmacias con la palabra **“SAVE”** para distinguirlas de las demás farmacias de la red que ofrecen costo compartido estándar.

Puede recibir sus medicamentos recetados directamente en su casa a través de nuestro programa de pedidos por correo de la red. Para obtener más información, por favor comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Si tiene alguna pregunta sobre lo anterior, por favor revise la portada y contraportada de este directorio para obtener información sobre cómo comunicarse con Alignment Health Plan.

Las farmacias figuran en orden alfabético por condado y ciudad y por tipo de farmacia. Los tipos de farmacias en este directorio aparecen en este orden:

- Farmacias de pedidos por correo
- Farmacias de cadena
- Farmacias minoristas, incluyendo las farmacias de cadena
- Farmacias de atención a largo plazo
- Farmacias para la Infusión Domiciliaria
- Farmacias que atienden al Servicio de Salud para Indígenas/Programa de Salud Tribal/de Indígenas Urbanos

Bajo cada lista también aparecen algunas características adicionales de las farmacias. Estas características son identificadas en cada página con la siguiente clave:

- **SAVE** = costo compartido preferido. Los medicamentos en estas farmacias pueden costar menos que en otras farmacias de la red.
- **90** = Suministro de 90 días. Estas son farmacias que ofrecen un suministro extendido de medicamentos (90 días).
- **24HR** = La farmacia está abierta las 24
- **eRX** = La farmacia acepta recetas electrónicas de las personas que emiten las recetas.
